

Kids Body and Face Pack

These super-soft cloths are ideal for the delicate skin of children.

Item #: Graphite, vanilla, sage (set of 3)–309096

20 cm x 20 cm

The problem

Kids have extra-soft skin that deserves extra loving care. They need cloths that are super gentle, yet absorbent.

Norwex solution

Constructed of super-soft and extra-gentle Norwex Microfibre, our Kids Body and Face Pack cloths are extra absorbent, too. They're soft, warm snuggles every child will appreciate!

Why it's better

- Kids can wash with these microfibre cloths and water alone
- Ultra-gentle microfibre is super soft on kids' sensitive skin
- BacLock® offers continuous protection against microbes and odours within the cloth*
- BacLock® within the cloth makes it mildew-resistant, keeping it cleaner and fresher, longer*
- Save money since you don't need to wash the cloth after each use
- STANDARD 100 by OEKO-TEX® certified, this product and its components have been tested against a list of over 350 harmful substances and passed, enabling you to make responsible decisions for you and your family

What your Customers will love

- Gets children clean from head to toe
- Quick-drying, warm and soft
- Sized perfectly for small hands and little bodies
- Three different colours so each child can have their own

How to use

- Great for both face and body as part of childrens' daily hygiene and skin care routines

Caring for microfibre

Wash dirty microfibre with a Norwex laundry detergent and avoid bleach, fabric softeners and dryer sheets.

Demo tips

- Share how these cloths are gentle on children's delicate skin yet effective for cleansing away dirt
- Share how BacLock® makes these cloths mildew-resistant, keeping them cleaner and fresher, longer*

Did you know

- Children who stay active or play outside consistently should bathe daily; whereas children with drier skin or those who stay inside more often can bathe every two days

Complementary products

- Kids Hooded Towel
- Kids 4-in-1 Wash
- Kids Towel
- Kids Bath Sponge
- Kids Pet To Dry

*Contains BacLock®, our exclusive antibacterial agent for self-cleansing purposes only. The agent is solely designed to inhibit bacterial odour, mould and mildew growth within the product.
