Deep Hydration BioCellulose Mask

Our unique hyaluronic acid blend plumps and hydrates while relaxing ylang ylang oil soothes stress and tension.

limited-edition

Item #: 403840 (pack of 4)
25 ml

The problem

You love a good face mask; they're especially handy to prep for those special occasions when you want to diminish the appearance of wrinkles and plump and moisturise your skin to look your glowing best. But finding one that fits well and contains safe yet ultra-hydrating ingredients isn't always easy.

Norwex solution

Our premium, hydrating sheet mask made of luxurious biocellulose material glides on like a second skin to adhere well as it surges moisture into your skin. Created from compostable, fermented coconut water, it has a two-part design to help ensure the perfect fit for every face shape. Four types of super-hydrating hyaluronic acid penetrate the skin to both nourish and minimise the appearance of fine lines and wrinkles.

Why it's safer

- Contains certified organic ingredients
- Provides boosts of hydration and nutrients to the face
- Dermatologist-tested for allergy and irritancy
- Loaded with Nordic antioxidants to help protect against free radicals and environmental stressors
- Formulated with skin-loving trehalose and arginine to boost moisturisation

Formulated without

- Sulfates
- Parabens
- Phthalates
- Synthetic dyes and fragrances
- Phenoxyethanol

What your Customers will love

- Luxury face mask is ultra-hydrating and locks in moisture
- Unique hyaluronic acid blend plumps and hydrates
- Feels like a "second skin"
- Adheres well and has better delivery of serum to face compared to traditional face masks
- Scented with ylang ylang
- Skin is left feeling soft and silky
- Biocellulose mask is compostable after use

How to use

- Cleanse your face
- Unfold and remove one mesh side
- Apply the sheet mask to clean skin, then remove the other mesh side and smooth to fit the contours of your face
- Discard 2 mesh protectors
- Leave on for 20 minutes
- Do not rinse after removing the mask
- Any excess serum within the packaging can be applied to your neck and decollétage
- Follow with your usual skin care routine
- Use weekly or anytime you want to treat yourself
- TIP: Keep a mask in the refrigerator and use it cold for a cooling, relaxing sensation

Deep Hydration BioCellulose Mask *(cont.)*

Key ingredients

Nordic antioxidants lingonberry and sea buckthorn: Help prevent free radical damage

Vaccinium Vitis-Idaea Fruit Extract (Lingonberry): Contains antioxidants and essential fatty acids to help improve the skin's appearance

Hippophae Rhamnoides Fruit Extract (Sea Buckthorn): Skin-stabilising oil that absorbs quickly to provide antioxidant benefits

Sodium Hyaluronate, Hydrolyzed Hyaluronic Acid, Hydroxypropyl-trimonium Hyaluronate, Sodium Acetylated Hyaluronate: Hyaluronic acid blend provides long-lasting moisturisation by combining different variants that contribute anti-aging effects. It absorbs into the skin to increase moisture, soften and plump the skin, and decrease the appearance of fine lines and wrinkles.

Trehalose: Moisturiser

Arginine: Moisturising amino acid that supports skin health

Cananga Odorata Flower Oil (Ylang-Ylang): Natural fragrance oil that boosts mood and promotes relaxation

Ingredients

Contains nut-derived ingredients (coconut, palm nut)

Did you know

• The stress hormone cortisol can literally get under your skin and damage its ability to hold water. It can also trigger elevated blood sugar, which damages collagen and elastin.

• Oily skin needs moisture too! If you're prone to oil and pimples, moisturising is especially important, since dry skin can cause oil glands to overproduce, leading to even more blemishes.
