Terms and Conditions:

Between midday 1st October and midday 1st December 2026 AEST Consultants will receive bonus points for promoting and/or working with Personal or Associate Consultants who promote and are eligible.

[^]If a Consultant is not at the new Leadership level for bonus period of May 2027, promotion points will be forfeited. This condition does not include points received by an upline who elevates a Personal or Associate Consultant to a new Leadership level whose points are forfeited.

If you were demoted more than 6 months ago, have repromoted to that level and hold that Leadership level for bonus period May 2027 you will also be awarded these points.

^{*}If a Consultant was previously at the higher level but was demoted more than 6 months ago they will still be eligible for these bonus points

^{**} Triple Points will only be awarded where the upline Leader is actively engaged in growing their business and working with the Consultant who is either a Personal or Associate Recruit of theirs to support their success during the incentive period. The incentive is designed to recognise active leadership, mentorship and engagement, rather than recruitment alone.

Bonus points for promoting will be added once each month has been closed off. Norwex reserves the right to conclude this incentive earlier than the end date specified.
